
The purpose of these Release Notes is to inform OneUSG Connect technical staff and

Self Service (MSS)

Modifications to Existing Processes

<p>Additional Info for Promoting/Demoting into Filled Position</p>	<p>When managers initiate a request to promote or demote an employee, they should be alerted when the position into which they promote/demote an employee is filled or partially filled.</p> <p>Two columns have been added on the position look up prompt 1 for Employee Counter (current headcount) and another for Max headcount for each position</p>
<p>State Charitable Contribution Campaign (SCCP)</p>	<p>Additional development has been done to configure institution-specific details into OneUSG Connect. While this will not be readily visible to employees or practitioners at this time, we do want to ensure institutions are aware that there will be a tool in OneUSG Connect to allow employees to select SCCP contributions to be deducted from their paychecks.</p> <p>Additional access cce t83 aee t83-g1e27 -1.1 pte hohilioea</p>
