When we initiated the Momentum Year program in the University System of Georgia two years ago, the focus was to introduce and scale up across USG institutions a set of elements that the data show correlate with student success.

In the fall of 2017, we introduced elements of the USG Momentum Year:

- Making a purposeful program choice
- Creating a productive Academic Mindset
- Attempting the first 30 hours of a Clear Pathway
- Attempting 9 hours in Academic Focus area
- Completing initial English and Math

In 2018, each USG institution developed a campus Momentum plan that enacted these elements within the institution. Significant changes in the way that advising and co
